The Lights & Sirens Invitational was established in 2008 when Harvey L. Hall identified the need that burn survivors and their families required a commitment of long term care and special assistance while on their road to recovery.

Since then, more than a half-million dollars has been raised to support these needs through the generous support of our local public safety, EMS, and business community partners.

Join the Hall Family in carrying forward Mayor Hall's legacy of service and community giving through the Harvey L. Hall Lights & Sirens Memorial Invitational. Your support will assist local burn survivors and their families when they need it most!
